

FOX ARMY HEALTH CENTER (FAHC) PHARMACY FORMULARY REFERENCE

****Please check formulary status of medications, as they may change****

Mandatory Prescription Activation

To address social distancing all patients must activate electronic/faxed prescriptions and refills prior to coming to the pharmacy. Below are activation options:

1. Website <https://redstone.dod.afpims.mil/Health-Services/Pharmacy>

Click on this icon.

2. TOL PP (Tricare Online Patient Portal) www.tricareonline.mil - Available to beneficiaries who's Primary Care Provider (PCM) are at FAHC. Please note, prescriptions sent in by CIVILIAN providers will need to be activated via PCRS messaging at: www.redstone.tricare.mil

3. If you are having difficulties with the online process, you may call and leave a voice message at 256-955-8888 ext. **1030**. However, you will not get a verification notice of when to pick up your medications (1-2 business day turn-around). You must leave the information specified in the voice instructions.

4. **Paper prescriptions** may be dropped off at Window #10 for processing. The attendant will instruct you when to return to the pharmacy for pick up. **Due to COVID social distancing requirements, waiting in lobby to fill prescriptions is not permitted.** Requests made **after 2pm** may be available **the next business day.**

5. **REFILLS:** Automated refill line: **256-842-7337 or 800-223-9531.**

Note: Civilian providers may send electronic prescriptions to: DOD REDSTONE

Monday thru Friday 0800 – 1500

PEAK Day/Times are: EVERY FRIDAY and Daily 11:30 – 13:30 Mon-Fri

FOREWARD

This guide is published for the use of the customers of Fox Army Health Center. It is intended as an aid to understanding the services available at Fox Army Health Center's Pharmacy and is not an official publication of this organization of the Department of the Army. While we have attempted to provide information representative of the questions most often asked by our customers, this guide does not portend to be all inclusive or exclusive to services offered. Specific questions should be directed to the pharmacy staff.

GENERAL INFORMATION

AR 40-3 requires that medical care and services be provided only to eligible beneficiaries. The military I.D. card is a tool that helps us meet this requirement. Medication(s) will not be issued for a patient who is **over the age of 10 years unless a valid military I.D. card (or a paper photocopy of the front and back of the ID Card) for that patient is presented to pharmacy services.**

GENERAL DISPENSING POLICIES

Maintenance medications:

- **Maintenance Medication (NON-controlled)** Physicians may write for up to a 90 day supply with 3 refills.
- **All Prior Authorizations *must be hand delivered* with the prescription-do not send to Tricare**
- **Narcotics and Scheduled III-V Controlled Substances:** Physicians may write for a maximum of a **30** day supply with **5** refills (for a total of six months)
- **Schedule II Substances:** drugs may be written for a maximum of a one month supply and are NOT refillable. *Schedule II narcotic (controlled substance) prescriptions must be hand-carried with original signature of prescriber (electronic or verbal submissions are not accepted).*
- **Narcotic prescription refills may be filled no sooner than two (2) days prior to actual due date of refill prescription (28 days from the date it was last picked up).**
- **Non-Narcotic 90-day prescriptions may be refilled 2 and ½ months after latest fill.**

Exception: Ritalin, Adderall, Concerta (or equivalents) may be given up to a 90-day supply for Attention Deficit Disorder and No Refills. Testosterone and seizure products may be given up to a 90-day supply with one refill.

- **Electronically transmitted prescriptions from providers are not filled until the patient contacts the pharmacy, either online or phone.**
- **Prescriptions expire after ONE year from the original date it was written for most medications**
- **Controlled substances prescriptions expire SIX months from the original date written.**
- **FAHC follows dispensing policy outlined by the Defense Health Affairs (DHA), Dept. of the Army (DA); Health Affairs (HA), and TRICARE which include quantity limits and formulary/Non-formulary designations.**
- **In the event of a **manufacture recall to the patient**, for a medication affected and dispensed from FAHC, a staff member will attempt to contact you (*please ensure your contact information is up-to-date in DEERS*). Otherwise continue to take your medication(s).**

To contact a member of the pharmacy during working hours, please call 256-955-8888, option 5. Messages will be returned within 24 business hours.
