FOREWARD

This guide is published for the use of the customers of Fox Army Health Center. It is intended as an aid to understanding the services available at Fox Army Health Center's Pharmacy and is not an official publication of this organization of the Department of the Army. While we have attempted to provide information representative of the questions most often asked by our customers, this guide does not portend to be all inclusive or exclusive to services offered. Specific questions should be directed to the pharmacy staff.

GENERAL INFORMATION

AR 40-3 requires that medical care and services be provided only to eligible beneficiaries. The military I.D. card is a tool that helps us meet this requirement. Medication(s) will not be issued for a patient who is **over the age of 14 years unless a valid military I.D. card (or a paper photocopy of the front and back of the ID Card) for that patient is presented to pharmacy services.**

GENERAL DISPENSING POLICIES

Maintenance medications:

- **Maintenance Medication (NON-controlled)** Physicians may write for up to a 90 day supply with 3 refills.
- **All Prior Authorizations *must be sent to TRICARE by your provider and approved by TRICARE before we can order and fill prescriptions requiring a prior authorization***
- **Narcotics and Scheduled III-V Controlled Substances:** Physicians may write for a maximum of a 30-day supply with 5 refills (for a total of six months)
- **Schedule II Substances:** drugs may be written for a maximum of a one-month supply and are NOT refillable. *ALL narcotics can now be sent electronically by your provider to our escribe address: DOD RESTONE*
- **Controlled substances refills may be filled no sooner than two (2) days prior to actual due date of refill prescription (28 days from the date it was last picked up).**
- **Non-Narcotic 90-day prescriptions may be refilled 2 and ½ months after latest fill.**

Exception: Ritalin, Adderall, Concerta (or equivalents) may be given up to a 90-day supply for Attention Deficit Disorder and No Refills. Testosterone and seizure products may be given up to a 90-day supply with one refill.

- **Electronically transmitted prescriptions from providers are not filled ahead of time. Patient(s) must contact the pharmacy prior to coming for pick up, either online; via phone or in person**
- **Prescriptions expire after ONE year from the original date it was written for most medications**
- **Controlled substance prescriptions may be faxed from the provider's office to FAHC pharmacy at 256-955-0189 or sent via eScribe electronic transmission system to FAHC at: DOD REDSTONE**
- **Controlled substances prescriptions expire SIX months from the original date written.**
- **FAHC follows dispensing policy outlined by the Defense Health Affairs (DHA), Dept. of the Army (DA); Health Affairs (HA), and TRICARE which include quantity limits and formulary/Non-formulary designations.**
- **In the event of a *manufacture recall to the patient*, for a medication affected and dispensed from FAHC, a staff member will attempt to contact you. Otherwise continue to take your medication(s).**
- **PLEASE ENSURE YOU HAVE UPDATED YOUR DEERS with any address or telephone contact information**

PRIOR AUTHORIZATIONS – The provider may call: 1-866-684-4488, or the completed form may be faxed to 1-866-684-4477, or email to TpharmPA@express-scripts.com.
